

We hope you are all happy and healthy. There are suggestions below to direct you towards skills you can develop at home with your child.

Maths and Numeracy

Focused Learning (this week)

- Time
- You will find all the information, activities and examples you need on Seesaw.

Remember:

- Keep practising your multiplication tables (this will help you with calculations.)
- Use the 'Ongoing Learning' folder to access other activities.

Language, Literacy and Communication

Focused Learning (this week)

- Mystery narrative (story).
- You will find a good example and a checklist on Seesaw.

Remember:

- Use the 'Ongoing Learning' folder in Seesaw to access other activities.
- Welsh – use the 'Ongoing Welsh' folder in Seesaw.

Science and Technology

Our Science topic is, 'Water Life'.

This week you can:

- Design a 'Yes/No' questionnaire to identify the birds. (See example on Seesaw.)
- Repeat this activity to produce identification keys for other creatures found in the water and for the plants found at the habitat.

Evidence this on Seesaw.

Expressive Arts

Linked to our new topic 'Express Yourself' make your own sculpture or design.

You can find more information on this on Seesaw.

Health and Wellbeing

These are a few suggestions that you could do...

Take at least 10 minutes a day to practice one of the following:

- Joe Wicks Body Coach Kids - 9am each day.
- Go Noodle
- Cosmic Kids

Take part in the 'Lockdown Challenge'. This is in the announcement section, as well as our school Twitter.

Humanities

Our new topic is, 'Express Yourself'.

Linked to the sculptures at Cardiff Bay research why the area was so important to the coal industry. Upload your work to Seesaw written in your own words.
