

Year 3 LF/HMT Week Beginning: 23/03/2020

We hope you are all happy and healthy. There are suggestions below to direct you towards skills you can develop at home with your child.

Maths and Numeracy

- Practise your multiplication tables- 2,3,4,5 and 10

You could; listen to Youtube clip, play quick fire recall with your child, multiplication game on Twinkl Go!. These activities can be used continuously.

Focused Learning (this week)

- To calculate fractions of numbers using known times tables facts. e.g. 1/5 of 25
- To multiply and divide numbers by 2,3,4,5 and 10 (Recap from last week)

Language, Literacy and Communication

- Practise your handwriting
 - Listen to your child read a book at home – ask questions to gauge their understanding (You can access your child's oxford reading tree books using your class login for Oxford Owls)
 - Practice spelling high frequency words
- #### **Focused Learning (this week)**
- Look at a leaflet and identify the features.
 - What is the purpose of a leaflet?
 - What information is included in a leaflet?
- #### **Welsh**
- Continue to use incidental welsh- ask family members 'Beth sy'n bod?' and write a dialogue.

Science and Technology

To read a thermometer when measuring the temperature of themselves, warm/cold water from a tap, water cooled in a fridge and ice cubes.

Write a brief summary of the differences between solids, liquids and gases.

Can you think of your own experiment linked to this learning?

If you want to think like a scientist, visit www.explorify.com.

Expressive Arts

Draw and label an Eco superhero

Use your Eco Superhero to create a comic strip about how they save the earth from rubbish.

Listen to your favourite songs and clap along to the rhythm. How many beats does it have?

Health and Wellbeing

Think about the effects that rubbish has on wildlife and other animals. How can we show empathy?

Explore different stereotypes that may affect our identity.

You could access Cosmic Kids Yoga or Go Noodle Youtube channels to complete some physical activities indoors.

Humanities

Look at and locate all countries involved in the EU summit.

Look at the history and create a timeline of changes in the polar ice caps.

Write a biography about a person that is helping the environment e.g. David Attenborough.
