

Year 4 CM/KL Week Beginning: 01/06/2020

We hope you have had a relaxing break. There are suggestions below to direct you towards skills you can develop at home with your child. All of the below tasks are listed on your activities on Seesaw. This week is Eco week, in Year 4 we will be looking at the water cycle.

Maths and Numeracy

Practise your multiplication tables –use the ‘Continuous’ folder on [Seesaw](#) to reinforce skills each week.

Focused Learning (this week)

To calculate area and perimeter. Complete one of the activities using your understanding of area and perimeter.

Other Learning

Select a times table to work on throughout the week.

- Test yourself at the beginning of the week.
- Write the times table out on different surfaces.
- Create a times table rap or song to help you learn.
- Say your times table to a family member.
- Teach a family member.
- Test yourself again at the end of the week.

Literacy, Language and Communication

Practise your spellings- See ‘Continuous’ folder on [Seesaw](#) to reinforce these skills weekly.

Read a book and complete a book review - See ‘Continuous’ folder on seesaw to reinforce these skills weekly.

Focused Learning (this week)

-Evaluate the statement ‘Coety Primary school wastes too much water’ using pros and cons.

-Complete a Comprehension about the water cycle.

Welsh

On [Seesaw](#), using your knowledge of varied sentence stems, practising saying/writing what food others like/dislike/love/hate and why. Try to extend your sentences by using ‘achos’ or ‘ond’. Use the vocabulary word banks on seesaw to help.

Science and Technology

Eco Week

Down the woods

<https://www.youtube.com/watch?v=y5gFI3pMvol>

Watch the video of the water cycle. The water cycle is crucial to sustaining all habitats. Create your own rainforest and watch it sustain itself through the water cycle.
